

41st Annual Saint Anthony Park Arts Festival ♦ Saturday, June 5, 2010
9:30 am-5:30 pm

ARTIST INFORMATION AND APPLICATION

Thank you for your interest! Proceeds from the St. Anthony Arts Festival are used to fund summer reading and activity programs at the St. Anthony Park Branch Library. Each year, summer programs reach out to thousands of children to keep them engaged and active in reading over the summer months.

Please read the following information carefully. Your signature on the application indicates that you accept these rules. If this is your first time applying to the SAP Arts Festival, we encourage you to go to the website and read Frequently Asked Questions. If you still have questions, please feel to email the Arts Festival Coordinator. The web site is www.stanthonyparkartsfestival.org/.

STANDARDS: NO IMPORTS. All items displayed must be handmade by the Exhibitor and family. Items must contain elements of creativity, artistry, and craftsmanship; must be of high quality; and must be suitable for family viewing.

APPLICATION: Along with this application and a check, please send slides or pictures that clearly display the items to be sold. If you have more than one type of merchandise, please send pictures of **every** type of merchandise. You may only sell merchandise that has been juried. If you were approved for pottery, do not add jewelry or other types of items to your booth.

Pictures must show the items clearly so that we may judge the quality. This is especially important for jewelry. If two exhibitors wish to share a booth, we must know both names and see pictures of all work. **If you want your pictures returned, you must enclose a stamped self-addressed return envelope.**

COST: A half space (approximately 6'x6') costs \$45. A full space (approximately 11'x11') costs \$90. Make check payable to: ST. ANTHONY PARK BRANCH LIBRARY ASSOCIATION. No refund for cancellation.

DEADLINE MAY 1: Jury will meet monthly from February through May. You should know within a month whether you have been accepted. Some categories fill early so apply as soon as you can. Also, we are more likely to honor your space requests if your application is postmarked earlier.

SPACE ASSIGNMENTS: No space is perfectly flat, so plan to level your tent and tables. Some spaces are in the street; that means weights, not tent stakes! If you have a special request, please specify whether it is something you want (if we can do it) or something you need (you don't want to participate unless you can have it.) If you need handicapped parking or other special considerations, let us know in writing.
